Buy It Now

In addition to absentee bidding, we now offer a Buy It Now option on all of our auction pieces. You may place an absentee Buy It Now bid up until 5 p.m. (CST), April 25, 2012 (48 hours before the event) by contacting Cassandra Johnson, cjohnson@wildflower.org or 512.232.0138. Our policy is as follows on any Buy It Now bid:

1. Any absentee bid offered to us at the predetermined Buy It Now price by a pre-qualified bidder will become the final bid and will be implemented by a member of our staff.
2. After a Buy It Now bid is placed by a bidder, the item will no longer be offered for additional bids from the attending Gala guests or other bidders.
3. If more than one absentee Buy It Now bid is received, the first of the two will be implemented as the final bid at the discretion of Wildflower Center Staff.
4. If you are the winning Buy It Now bidder, we will attempt to contact you as soon as time allows; we require payment within three business days of purchase.
5. If an absentee Buy It Now bidder is in attendance on auction day, their absentee bid will still be administered unless formally retracted with our office staff, and made clear to the auction team. A written retraction may be required.
6. By placing an absentee Buy It Now bid, online, by phone, email or any other means, as the bidder you accept responsibility to purchase the item.

SHIPPING TERMS FOR ABSENTEE BIDDING

A valid credit card number must be provided for approved bidding. As the winning Buy It Now bidder via absentee bid you will be notified before the close of business on Monday, April 30, 2012 by phone or email. The purchase will be charged to your credit card unless alternate arrangements are made and confirmed in writing.

SHIPPING: Shipping arrangements for items won in the auction will be coordinated by the Wildflower Center on behalf of the winning bidder. Packing and insurance can cost upwards of \$300 to ensure that art is safely shipped. The winning bidder is responsible for any shipping charges incurred.

THANK YOU.

The mission of the Lady Bird Johnson Wildflower Center is to increase the sustainable use and conservation of native wildflowers, plants and landscapes.
