

Hike Observation Sheet: Insect Evidence

On your hike today keep your eyes out for insects or signs of insects. When you find one, write down the location and draw a line to the evidence or insect you observed. You might even be able to connect an insect to the evidence it leaves behind.

Insect Evidence	Location	Insects
 Leaf Tunnels		 Fly
 Wrapped Leaf		 Bee
 Chewed Leaf		 Butterfly
 Leaf with Galls		 Beetle
 Foam Home		 Grasshopper

Name: _____
